# Come Together, and Make an Impact!

The annual Early Educators Leadership Conference (EELC) brings together a concentrated network of 200+ national and international early childhood professionals, policymakers and program leaders dedicated to advancing the field of early childhood education and improving the lives of young children and families.

Our attendees come seeking professional development, as well as new opportunities to extend and strengthen the reach of local and federal early care networks. With three days of general sessions, panels and workshops, attendees are constantly gaining knowledge and skills, sharing best practices and networking with early childhood professionals from around the world.

EELC provides a unique opportunity for conference sponsors to enhance their brand recognition, engage with attendees about their services and provide collateral for continued post-conference engagement and learning.

EELC is an ecosystem built for attendees, speakers and sponsors alike to impact change, grow professionally and evolve into new areas, networks and systems.

rich in content...  
Full of positive energy  
and motivation. It added  
a lot to my professional  
development. The

Dr. Valora and  
Mr. Milton J. Little  
was really enthusiastic,  
inspiring, and  
motivating. ”

*Nevin El Sharkawi

raises the professional  
offerings. This year  
was packed with  
incredible leaders and

truly have time to hold  
conversations with other  
leaders, as well as meet  
other leaders from all  
over the world. ”

*Christine Belinda

“ The conference was  
more than I thought  
it would be. I loved  
everything about this  
conference. The staff  
was pleasant, the hotel  
was very nice and clean,  
the speakers gave so  
much insight on how I  
should conduct myself  
with staff and children.  
I am so grateful I was  
able to attend. ”
