Prepare to Renew Your CDA®

Why Renew?

Keeping your Child Development Associate® (CDA) Credential™ current is an important step in continuing your professional development in your work with young children and their families. The early care and education profession encourages early educators to stay up to date with the theories, research/studies, appropriate practices and trends in the early childhood education field. The continuous professional development of CDA® Credential holders helps ensure the quality of care and education provided to our youngest children. The Council also requires CDA holders to renew their credential every three (3) years.

When Should You Start Preparing for Your Renewal?

1. You should prepare for your renewal well in advance of your application submission date.
2. If you are renewing for the first time, you can begin preparing for your CDA® renewal as soon as you earn your CDA Credential.
3. If you have renewed before, you can begin gathering the requirements after the issue date of the credential that is expiring.

When Can You Submit Your Renewal Application?

Your CDA® is valid for three (3) years from the award date so it is very important for you to renew your CDA Credential before it expires to remain an active CDA. The Council must **receive your application by the expiration date** to be accepted.

Unfortunately, there are **no exceptions or extensions**. If your CDA Credential expires, you will have to reapply to obtain a new credential.

- Candidates should submit their renewal application **on or before their expiration date**.
- Candidates can submit their renewal application **up to 6 months before their expiration date**.

Please be sure that the Council has your current email address on file so that you can receive reminders in advance before your CDA Credential expires.

If you have had a name change since your last credential was issued, please see page 10 for further details on how to update your name.

Renewal Requirements

You must meet all of the following requirements:

Professional Development	<ul style="list-style-type: none">• Continued Professional Education• Membership to a National or Local Early Childhood Professional Organization
Continued Work With Children	<ul style="list-style-type: none">• Minimum 80 Hours Working with Young Children• Recommendation From ECE Reviewer
Safety	<ul style="list-style-type: none">• First Aid and Infant and Child CPR Certification

Each requirement is explained below along with specific information regarding acceptable forms of documentation.

Professional Development

Continued Professional Education

All professional education hours must be awarded by an agency or organization with expertise in early childhood teacher preparation. These can be classroom courses or online courses. Keep in mind:

- You will need to document completion of one of the following:
 - o 4.5 CEUs, or
 - o A three (3) credit hour college course from an accredited college or university, or
 - o 45 clock hours of training in Early Childhood Education and/or Child Development.
- All coursework/training must have been **completed after the issue date of your most current CDA® Credential**.
- Courses/training attended before your previous CDA will not be accepted to meet the educational requirement.
- Do not re-take the same courses/training you studied when applying for your original credential or for previous renewals

All renewal coursework/training must be **specific and relevant to your CDA Credential type**.

Credential Type	Training Requirement
Preschool	Training content must be specific to Preschool age children (3-5 years old) in a center based setting
Infant and Toddler	Training content must be specific to Infants and Toddlers (birth to 36 months) in a center based setting
Family Child Care	Training content must be specific to children between the ages of birth to 5 years old in a Family Child Care setting

Training courses should be based on the eight CDA® Subject Areas

Documentation of training must be in the form of:

- *College or University transcript* which includes the college or university name, Renewal candidate's name, number of credits awarded, and reflects successful completion of the course.
- *Verification letter* on the training agency's official letterhead, which includes original signature, title and contact information for person verifying training. The letter must specify training is specific to the credential type being renewed.
- *Certificate of Completion* which includes training agency name and address, training agency seal/logo, Renewal candidate's name, dates of training, content area, number of hours successfully completed, and an authorized signature.

Note: See appendix on page 16 for samples of acceptable documentation.

The Council does not accept the following types of training documentation:

- Training logs
- State registry printouts that have **not been** approved by the Council

Note: Training documentation will be reviewed by your Verifier.

Membership in a national or local early childhood professional organization

You will need to show proof of current membership in an early childhood professional organization. The field of early childhood education includes an abundance of organizations that support the professional development of early childhood educators and promote improvements in services to young children. ECE professionals become members of these associations to help them grow professionally, stay current on early childhood issues, and participate in group efforts to promote positive change.

- Membership must be current at time of submission of CDA® Renewal Application.
- Membership may be an individual or center membership

The following forms of documentation are acceptable:

- Membership card
- Certificate of membership
- Letter on membership organization's official letterhead
- Receipt of payment of membership fees

Documentation of membership must include the following:

- Membership agency's name
- Membership agency official seal or logo
- Renewal candidate's name or center name
- Issue date and expiration date ("or valid for" timeframe)

Note: See appendix on page 16 for samples of acceptable documentation.

The Council does not accept the following types of memberships to fulfill the renewal requirement:

- State Registry organization membership
- Parent Teacher Association (PTA) memberships
- Teachers' Union membership
- Magazine subscriptions membership

If a center membership is presented, the center name must be listed on the documentation. Membership cards issued in another staff person's name are not accepted as a center membership.

For more information, the Council has a list of ECE membership associations that you may join on our website, here: www.cdacouncil.org/ece-organizations.

Training and Membership Verification

Training and Membership documentation **should not** be submitted to the Council. Instead, you will need to select a Verifier to review your training and membership documentation. Select a staff person, within the center/program who has the authority to review your training record.

The Verifier can be an education coordinator, a center director, assistant director, or other authorized staff person. Your ECE Reviewer can also serve as your Verifier.

- To apply online, you will need to have your Verifier's email address. You will be prompted by the online application system to send your Verifier a Training and Membership Verification request. The Verifier submits the verification via a link sent in the request email.
- If applying with a paper application, the Verifier completes and signs Section E of the CDA® Renewal Application. No other documentation should be submitted.

Conflicts of Interest:

The person that you select as your Verifier may not be related to you by blood, marriage, or other legal relationship, may not work in the same classroom as a co-teacher with you on a daily basis, and may not be relative of a child in your care at any time during the renewal process.

Continued Work With Children

Recommendation from an ECE Reviewer

Select an early childhood education professional to serve as your Early Childhood Education (ECE) Reviewer. This person must meet the experience and education requirements included in the *Information for the Early Childhood Education Reviewer* booklet.

The ECE Reviewer you select must have current (within the past year) **firsthand knowledge** of your skills and abilities working with children **in the setting of your original credential**. The ECE Reviewer can be an education coordinator, a co-worker, a center director, or a member of an early childhood organization to which you belong.

The recommendation verifies that you have worked at least 80 hours with children within the past year and is based on your performance with children in relation to the six CDA® Competency Goals and 13 Functional Areas.

Recommendation and Verification of 80 Hours of Work Experience

A valid CDA® Credential indicates you have maintained your competence in educating and caring for young children. Therefore, it is necessary to maintain a current experience working with young children, even if you no longer work directly with them.

- **Within one year prior to submitting your renewal application**, you must have worked a minimum of 80 hours with children **in the setting of your original credential**.
- Your ECE Reviewer will verify your 80 hours of work experience as part of the recommendation process.
- To apply on line, you will need your ECE Reviewer's email address. You will be prompted by the online application system to send your ECE Reviewer a recommendation request. The ECE Reviewer submits their recommendation via a link sent to them in the recommendation request email.
- If applying with a paper application, your ECE Reviewer completes your recommendation by completing Section D of the CDA Renewal Application.
 - o A separate recommendation letter written by your ECE Reviewer may be submitted, however, Section D of the application must still be completed in its entirety.
 - o The 80 hours must be verified by the ECE reviewer, a separate letter verifying employment will not be accepted
- These hours may be volunteer or paid

Credential Type	Required Work Experience by Setting
Preschool	At least 80 hours working with children ages three to five years old in a center based setting
Infant and Toddler	At least 80 hours working with children ages birth to thirty-six months in a center based setting
Family Child Care	At least 80 hours working with children ages birth to five years old in a family child care setting

If your employment does not include 80 hours during the past year, there are other ways to meet the requirement. For example, you could visit and volunteer in an early childhood setting, specific to your original credential type, to participate in a special project, organize and implement a family-oriented event, or sponsor a hands-on activity or field trip with children. You may show proof of this type of work (volunteer or paid) to your ECE Reviewer who will verify your 80 hours of service.

Safety

First Aid and Infant and Child (Pediatric) CPR certification

You will need to submit proof of valid and current certification in **First Aid** and both **Infant and Child (Pediatric) CPR**. Certification must be current at time of submission of CDA® Renewal Application.

The Council accepts training offered by nationally recognized training organizations (such as the American Red Cross or the American Heart Association) as well as training provided through smaller training agencies. **Documentation of training must include the following to be accepted:**

- Training agency's name
- Training agency official seal or logo and/or mailing address
- Renewal candidate's name (**the name on the card and/or certificate is required to match the name currently listed in our records**)
- Issue date and expiration date ("or valid for" timeframe)
- Instructor's Signature
- Instructor certification number (not required if the instructor is an RN or paramedic)

If training is obtained through a nationally recognized training organization, the documentation submitted **MUST** follow the official documentation guidelines of the organization to be accepted.

The Council will accept the following forms of verification for First Aid and Infant and Child (Pediatric) CPR certification:

- Completion card
- Certificate of completion
- Letter on the training agency's official letterhead (see template letter provided)

***Note:** If a card/certificate is submitted that is issued incorrectly, a letter cannot be submitted to correct the issue. The training agency must issue a new corrected card.*

All forms of documentation must verify **certification** in First Aid and Infant and Child CPR.

Online training and training provided by an individual consultant is not accepted.

***Note:** See appendix on page 16 for samples of acceptable documentation.*
